Staff

<mark>ID: Grading_user2 | Password: Test123</mark>

Customer

<mark>ID: Grading_User3 | Password: Test123</mark>

Database Access account

<mark>ID: hawki111_grading | Password: Test123</mark>

Database access https://myweb.cs.uwindsor.ca/phpmyadmin

Any new accounts required can be created using the AdminView Dashboard or by creating a new customer account.

Bookings are created by specifying a start and end date and logging in with a customer account. Cancellations can be made by viewing customer bookings.

Staff Members can perform check-ins and upgrade customers to receive a discount through the staffView.php page.

Admin Users can view reporting tools and create new staff accounts using adminView.php.

staffLogin.php directs users to appropriate page for staff or admin usage.
